EDUCATION

University of Missouri (Columbia, Missouri)

2018-present PhD Anthropology (ABD since April 2019)
 Committee: Lisa Sattenspiel (chair), Gregory Blomquist,
 Karthik Panchanathan, Enid Schatz, Svenn-Erik Mamelund

2017 MA Anthropology

Dissertation: Social Inequalities and Mortality During the 1918 Influenza Pandemic on the Island of Newfoundland (*expected 2022*)

Master's Thesis: Sex- and age-based differences in mortality during the 1918 influenza pandemic on the island of Newfoundland (published in the *American Journal of Human Biology*)

Towson University (Baltimore, Maryland)

2015 BS Sociology & Anthropology (with honors)

2015 BS Chemistry

2015 Mi. Molecular Biology, Biochemistry, and Bioinformatics

Undergraduate thesis: “Mobilizing for Justice: How St. Louis, Missouri Became the Foundation for a New Discourse on Racism” (*winner of the Department of Sociology & Anthropology Award for Outstanding Undergraduate Thesis*).

BROAD RESEARCH AREAS

Biocultural approaches to health and disease, 1918 influenza pandemic, tuberculosis epidemiology, (historical) demography & epidemiology, demographic & epidemiologic transitions, social inequalities, Newfoundland, North Atlantic

PUBLICATIONS

van Doren, T.P. (2020). The 1918 influenza pandemic has lessons for COVID-19: An anthropology student perspective. *American Journal of Public Health* (accepted 10.15.2020).
<https://doi.org/10.2105/AJPH.2020.306021>

Paskoff, T., & Sattenspiel, L. (2018). Sex- and age-based differences in mortality during the 1918 influenza pandemic on the island of Newfoundland. *American Journal of Human Biology*, 31(1), e23198.
<https://doi.org/10.1002/ajhb.23198>

PUBLICATIONS IN PREP & IN REVIEW

van Doren, T.P., & Sattenspiel L. n.d. Selective mortality in Newfoundland: Assessing biocultural determinants of post-1918 influenza pandemic tuberculosis patterns. *Under review at American Journal of Physical Anthropology.*

van Doren, T.P. n.d. Tuberculosis co-morbidities in humans and biocultural determinants of infection: A review of the literature. *In prep, journal article.*

van Doren, T.P., Sattenspiel, L., & Mamelund S.E. n.d. Differential excess mortality from respiratory infections during the 1918 influenza pandemic in Newfoundland and associated socioeconomic consequences. *In prep, journal article.*

GRANTS & FELLOWSHIPS

2019-20	National Science Foundation Doctoral Dissertation Improvement Grant. Co-PI with PI Lisa Sattenspiel (\$13,583)
2019	H. Clyde Wilson Opportunities for Excellence in Cultural Anthropology (\$1,500)
2019	William S. Pollitzer Student Travel Award, granted by AAPA (\$500)
2018	Graduate Professional Council Conference Travel Award (\$300)
2018	Dorothy (Dot) Tompkins Gelvin, Ph.D. Memorial Scholarship (\$1,500)
2018	Department of Anthropology Spring/Summer Travel Grant (\$500)
2017-18	Writing Center Fellowship, University of Missouri – Columbia
2017	Department of Anthropology Fall/Winter Travel Grant (\$500)
2017	Graduate Professional Council Conference Travel Award (\$300)
2017	Graduate Studies Professional Presentation Travel Fellowship (\$400)
2017	Department of Anthropology Spring/Summer Travel Grant (\$500)
2015-17	Graduate Studies Fellowship, University of Missouri – Columbia

- 2011-15 Provost Scholarship, Towson University (\$12,000/y, four years)
- 2011-15 Chemistry Department Scholarship, Towson University (\$1,500/y, four years)
- 2011-15 Honors College Scholarship, Towson University (\$1,500/y, four years)
- 2011-15 Athletic Talent Grant, NCAA Division 1 Swimming (\$3,000/y, three years; \$10,000/y, one year)

CONFERENCE ACTIVITY

- “Biocultural determinants of post-1918 influenza pandemic tuberculosis mortality in Newfoundland.” **Taylor P. van Doren** and Lisa Sattenspiel. 2021 Human Biology Association Meeting (HBA), remote, March 2021. (*under review*).
- “Sex- and gender-based tuberculosis mortality in early-20th century Newfoundland: Future considerations for demographic anthropology and epidemiology.” **Taylor P. van Doren** and Lisa Sattenspiel. The 89th Meeting of the American Association of Physical Anthropologists (AAPA), remote, April 2021. (*under review*).
- “The 20th century TB decline was not universal in the Western world: investigating historical and social explanations.” **Taylor Paskoff** and Lisa Sattenspiel. 2019 American Anthropological Association Meetings (AAA), Vancouver, BC, Canada, November 2019. (podium)
- “Selective mortality of tuberculosis after the 1918 influenza pandemic in two Newfoundland regions.” **Taylor Paskoff**. The 88th Annual Meeting of the American Association of Physical Anthropologists (AAPA), Cleveland, OH, USA, April 2019. (poster)
- “Differential excess mortality from respiratory infections during the 1918 flu pandemic and associated socioeconomic consequences.” **Taylor Paskoff** and Lisa Sattenspiel. The Social Impact of Epidemics: A Workshop Marking 100 Years of the Great Flu Epidemic of 1918, Oslo, Norway, September 2018. (podium)
- “Excess mortality of respiratory infection during the 1918 influenza pandemic in Newfoundland and Labrador.” **Taylor Paskoff** and Lisa Sattenspiel. The 87th Annual Meeting of the American Association of Physical Anthropologists (AAPA), Austin, TX, USA, April 2018. (poster)
- “Factors influencing differential severity of the 1918 influenza pandemic in two Alaskan regions: Implications for the present.” Lisa Sattenspiel, Megan Murray, **Taylor Paskoff**, and Sverre-Erik Mamelund. The 87th Annual Meeting of the American Association of Physical Anthropologists (AAPA), Austin, TX, USA, April 2018. (poster)
- “Geographic heterogeneity in mortality by age and sex during the 1918 influenza pandemic in Newfoundland and Labrador.” **Taylor Paskoff** and Lisa Sattenspiel. The 42nd Annual Meeting of the Social Sciences History Association (SSHA), Montréal, Québec, Canada, November 2017. (podium & panel)

“Sex and age differences in mortality during the Spanish influenza epidemic in Newfoundland and Labrador.” **Taylor Paskoff**, Lisa Sattenspiel, Dana Schmidt. The Ninth International Congress on Arctic Social Sciences (ICASS IX), Umeå, Sweden, June 2017. (podium)

“Shape differences in the proximal femur of a cadaver sample based on different classifiers of obesity.” Robyn Johnston, Libby Cowgill, **Taylor Paskoff**. American Association of Physical Anthropology (AAPA), New Orleans, LA, USA, March 2017. (poster)

“Disease Spread on Networks,” US-Canadian Institutes Epidemiology Summer School. Mathematical Biosciences Institute, The Ohio State University, Columbus, OH, June 2016.

“Mobilizing for Justice: How St. Louis, Missouri Became the Foundation for a New Discourse on Racism,” Honors Thesis Colloquium. Towson University, Towson, MD, May 2015.

“The Social Hierarchy of Medicine,” Honors Alumni Night. Towson University, Towson, MD, April 2015.

RESEARCH & PROFESSIONAL DEVELOPMENT

- July-Aug
2020 Online Teaching Certification Seminar: Excellence in Online Teaching
- June-July
2019 Archival research in “The Rooms” Provincial Archives
St. John’s, Newfoundland & Labrador
Funded: National Science Foundation DDRIG
Funded: H Clyde Wilson Opportunities for Excellence, Cultural Anthropology
- May 2018 Archival research in “The Rooms” Provincial Archives
St. Johns, Newfoundland & Labrador
Funded by the Dorothy (Dot) Tompkins Gelvin, Ph.D. Memorial Scholarship
- June 2016 US-Canadian Institutes Epidemiology Summer School
Mathematical Modeling of Infectious Diseases
Mathematical Biosciences Institute
The Ohio State University (fully funded)

TEACHING APPOINTMENTS

- 2019-present Graduate Instructor of Record
University of Missouri, Columbia, Missouri
Department of Anthropology
 ANTHRO 1300: Multiculturalism (FS 2020)
 ANTHRO 1500: Monkeys, Apes, and Humans (FS 2019, SP 2020)
 ANTHRO 2030: Cultural Anthropology (SS 2020, SP 2021)

2015-18 Teaching Assistant
University of Missouri, Columbia, MO
Department of Anthropology
ANTHRO 4990: Capstone Seminar (FS 2015, SP 2016, FS 2016, SP 2018)
ANTHRO 3560: Plagues and Peoples (SP 2017)
ANTHRO 1000: General Anthropology (FS 2017)

OTHER PROFESSIONAL APPOINTMENTS

(Upcoming)

2022-23 Resident Fellow of the Norwegian Academy of Science & Letters
Center for Advanced Study (CAS)
Project led by Sverre-Erik Mamelund: “Social Science Meets Biology: Indigenous People and Severe Influenza Outcomes”

2018-19 Research Assistant
University of Missouri, Columbia, MO
NSF Grant under Napoleon A. Chagnon and Raymond Hames

2017-18 Writing Intensive Fellow
University of Missouri, Columbia, MO
Writing Center, Student Success Center

2016 Lab Technician
University of Missouri, Columbia, MO
Department of Microbiology, Immunology, and Veterinary Medicine

2013-15 Department Student Aid
Towson University, Towson, MD
College of Education, Departments of Secondary and Middle School Education

2012-15 Academic Tutor
Towson University, Towson, MD
Department of Athletics
Classes: General Chemistry 1 & 2, Human Anatomy and Physiology 1 & 2, Math for the Sciences, Precalculus, Calculus 1

ACADEMIC HONORS

2015 Department of Sociology, Anthropology and Criminal Justice Award for Outstanding Undergraduate Thesis, Towson University

- 2015 University Honors Scholar, Towson University
- 2015 Departmental Honors in Sociology & Anthropology, Towson University
- 2014 Institutional Nomination for Rhodes Scholarship
- 2011-15 Dean's List 8 consecutive semesters, Towson University
- 2012-15 Colonial Athletic Association Commissioner's Academic Award

SERVICE

Departmental

Graduate Student-Faculty hiring liaison for TT hire (2019)

Professional

Reviewing manuscripts for *PLoS ONE*

SOCIETIES

American Anthropological Association (AAA)

American Association of Physical Anthropologists (AAPA)

Human Biology Association (HBA)

Social Science History Association (SSHA)

Chi Alpha Sigma: National College Athlete Honors Society, Maryland Theta Chapter

LANGUAGES

English (native fluency)

R (proficient)
